

Sprint 3 Database Preview

Team ID PNT2022TMID32846

Project Name Project – Skill/Job Recommender

The image shows two screenshots. The top screenshot is of the IBM Db2 on Cloud interface. It displays a SQL query in the editor: `select * from users;`. The results are shown in a table with 4 columns: UTD, UNAME, PASS, and MAIL. The results are as follows:

UTD	UNAME	PASS	MAIL
1	kiru	pass	kiru2001@gmail.com
4	sindhuja	pwd1	sindhuma1394@gmail.com
5	kiruthika	pwd	krithikrish@gmail.com
6	Divyaa	divyaa	divyahere@gmail.com

The bottom screenshot is of a web browser showing a login form for a 'SKILL/JOB RECOMMENDER'. The form has two input fields: one for the username 'sindhuja' and another for the password, which is masked with dots. Below the input fields is a blue 'LOGIN' button. At the bottom of the page, there is a link that says 'Don't have an account yet? Click here to [register!](#)'.
