The image shows two screenshots of the IBM Watson Assistant console. The top screenshot displays the 'Actions' section, which lists actions created by the user. The bottom screenshot displays the 'Credentials' section, showing the API key and URL for the Watson Assistant instance.

**Actions Section:**

Actions sit at the core of the new Watson Assistant build process. Think of them as problems or tasks that your customers want your assistant to resolve for them. They include the complete interaction between a customer and your assistant for a specific question or request.
